Poonam Industries

A House of Painting & Powder Coating

Introduction

About Us

Poonam Industries believes in proactive approach and always have been among the first few to implement the new technologies and work methods. Long back 1995, when people might have not heard of powder coating, **Poonam Industries** adopted this technology.

Poonam Industries has been doing a good business since its inspection and is on growth track continuously.

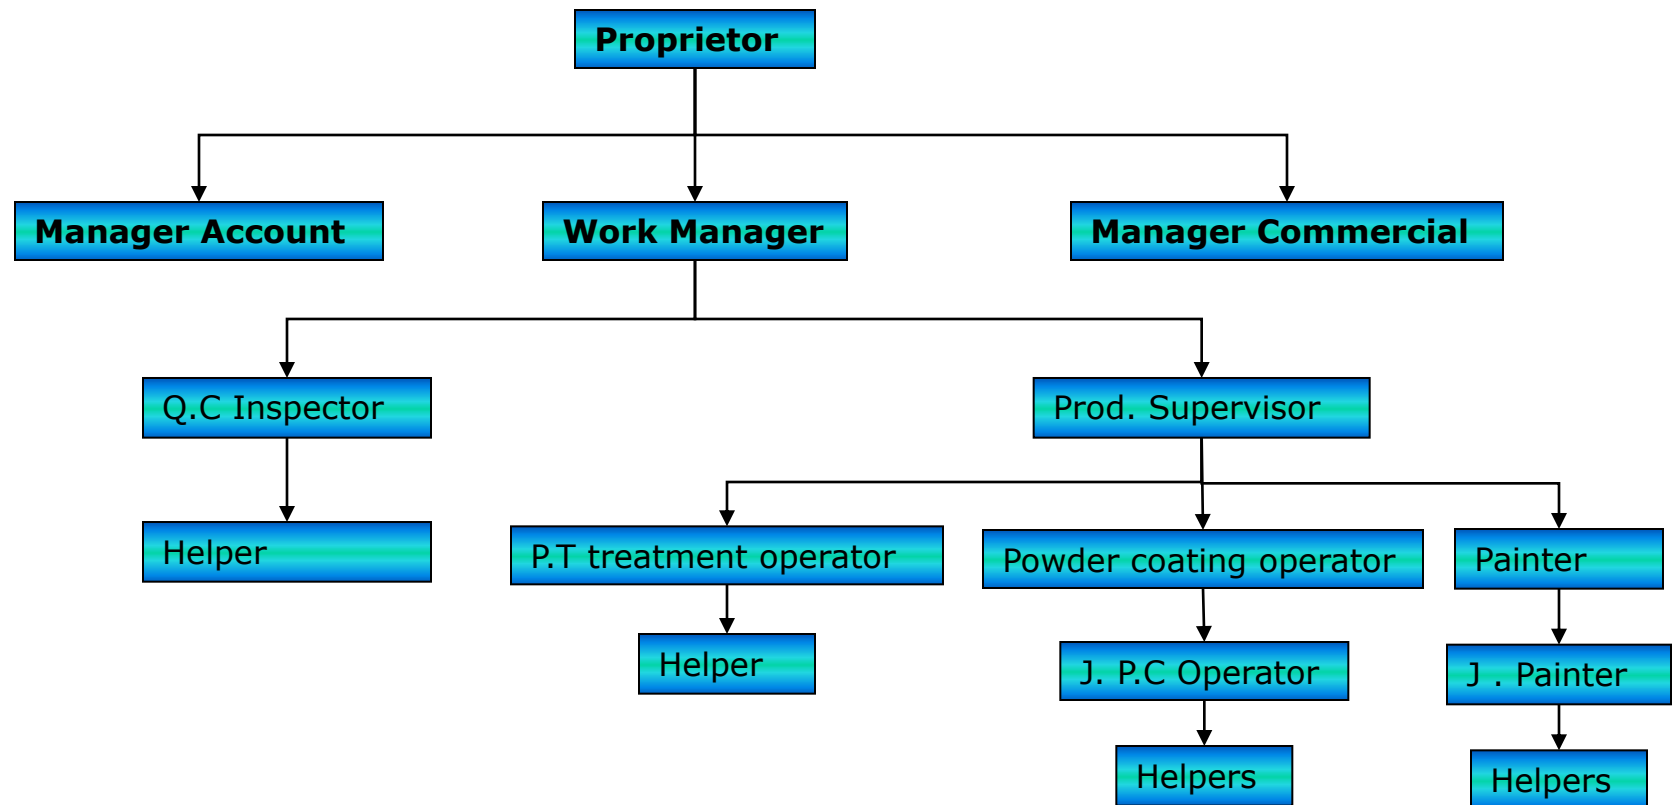

Poonam Industries is a leading organization in the field of surface coating especially Powder, Spray, Dip & P.U. etc. It was established in 1995 by **Mr. Rajesh Maheshwari** , a highly committed , honest, Hardworking & technically sound professional. He has a experience for twenty two years in this field
